

This card is not a statement or guarantee of coverage

This plan requires Pre-treatment Authorization/Recertification

Please call: 844-580-2474 (BHPI)

Before hospital admission, surgery or certain other services covered under your plan, your physician must call for pre-treatment authorization/precertification.

Failure may result in a reduction of benefits.

Emergency admissions must be reported within 48 hours or by the next regular following admission (72 hours in some states).

Possession of this card or obtaining precertification does not guarantee coverage or payment of the service/procedure reviewed. Plans are underwritten by Benefits Re, Inc NAIC #17459 and not by any network.
