THE ROLE OF THE Research Associate (RA)

HOW IT WORKS FOR THE RESEARCH ASSOCIATE

> Step 01

Monthly Opportunities for Compensation

Research Associates have the ability to complete health activities, such as surveys and quizzes, in return for guaranteed payment. Health activities are accessed through your Employee Wellness Hub (EWH).

> Step 02

Payment and Additional Benefits

Research Associates are paid \$40 per hour for performing health research activities. Your \$40 per hour payment will be paid on a pro rata basis based on the time spent completing assigned tasks. For example, if an employee works for 15 minutes they will be paid \$10. Each activity takes no more than 15 minutes to complete. All information provided is de-identified and anonymous. RA's are also offered a number of additional wellness benefits, including medical insurance.

> Step 03

Reminders

Research Associates will receive email and/or text reminders, provided a valid email address and phone number are on file. There is no grace period for late activities.
