MAJOR MEDICAL & PRESCRIPTION SUPPORT

ESC100 Cares Plan

When costs run high.

A benefit for employees and dependents facing a major medical procedure, ongoing treatment, or a new diagnosis — with premiums, deductibles, co-pays and coinsurance paid on your behalf.

ALSO REFERRED TO AS THE **ECP**

WHAT THE PLAN COVERS

- Major medical procedures
- Ongoing care & treatment
- Prescription drug costs
- Paid premiums & deductibles
- Paid co-pays & coinsurance
- Employee & dependent coverage

Do you have an upcoming major medical procedure or a new diagnosis?

WHO QUALIFIES

The ESC100 Cares Plan is designed for employees and dependents whose benefits are expected to exceed the threshold below in a single plan year.

THRESHOLD TO QUALIFY

$35,000

Expected combined medical and prescription costs

Enrollment can be arranged effective the first of any month with one week's notice.

HOW IT WORKS

- If you qualify, the ECP pays your premiums, deductibles, co-pays and coinsurance.
- Coverage applies to both medical and prescription benefits under your new plan, for the duration of your care.
- Each year you may remain in the ECP or return to the Standard Plan.
- Contact your Human Resources office or ESC100 to confirm eligibility.
